

## Just One Fix

Sepultura

Blood keeps drinking away  
Certain of it's destination  
Driving through new orleans at night  
Gotta find a destination

Just one fix

Life keeps slipping away  
Fighting in a war with damnation  
Poised, keep cutting away  
I'm looking in through to salvation

Just one fix

Like if I boarded a train  
Trying to take in another station  
Join us and the choice will be made  
Unless we kill the lie as a nation

Just one fix
