

# One Man Army

Sepultura

Your Green Is For Money  
My Green Is For Land  
Shut Off My Eyes  
Clog Up My Ears  
Cut Off My Tongue  
You'll Still Hear Me Coming

My Blood Is Thicker  
My Pain Will Rise  
Boycott My Ideas  
Fueled With The Hate I Feel  
Infiltrated With The Lies  
That You're Feeding Me

One Man Army

Our Strength's Your Weakness  
Our Truth's Your Lies  
Shut Off My Eyes  
Clog Up My Ears  
Cut Off My Tongue  
You'll Still Hear Me Coming

Surrounded By Mistrust  
Trapped In Your Mind  
All You Hear Is - What You Fear And  
All You Fear Is - What You Don't Know  
All You Know Is - What You See  
And What You See Won't Last Forever

One Man Army

Our Truth Will Echo And Echo Forever  
Tormenting You Forever And Ever

You'll Still Hear Me Coming Through To You

Boycott My Ideas  
Fueled With The Hate I Feel  
Infiltrated With The Lies  
That You're Feeding Me

One Man And I'm Coming For You
