

# Relentless

Sepultura

Forward - Can't stop to pace my steps  
Onward - Never stood for second best

I'm relentless, I am always  
I won't let this die  
No words - Is not the life which I have led

I'm relentless - I want vengeance

Slow burn - Only got what I have done  
Progress - To undertake the task at hand

I'm relentless, I am always  
I won't let this die  
Timeless - Unscathed with attitude

I'm relentless - I want vengeance
