

Resistant Parasites

Sepultura

Mass suffering, die slowly
Look they've done

Plant toxins. Buy cheaper. Buy

Forced breeding. No healing no

Resistant parasites
Infecting to survive
Disastrous consequences

More money. Raised profits
Shares rising. Look what they've done

Resistant parasites
Infecting to survive
Disastrous consequences

Can't close our eyes. Identify
This is a crime that we can't deny
Won't change our minds it's all been said

Get out
Fuck off

Mass suffering, die slowly
Mass suffering, look what they've done

Resistant parasites
Infecting to survive
Disastrous consequences

Resistant parasites
Infecting to survive
Resistant parasite live on
