Oh girl it's true  
I wanna be next to you  
I wanna be next to you  
In sun or rain or snow or sleet  
It's true I wanna be with you, girl  
I wanna be next to you

Baby when we met you said don't ever hide my feelings  
Gave me respect and honesty  
We had no secrets  
Did everything together  
We were never apart  
We made it through any weather  
Baby you had my heart  
I just gotta say  
I can't help but feel this way (this way)  
Cause you're my treasure  
Baby you and me forever

In relationships you gotta have trust  
Compromise that's trust  
What it takes to make us compatible  
You don't ever need attitude  
Whatever it is we can work it out  
Listen please let's talk it out  
Girlfriend, you're mine till the end of time  
I just gotta say  
I can't help but feel this way (this way)  
Cause you're my treasure  
Baby you and me forever

I wanna be with you  
It's true I wanna be with you  
Oh girl it's true  
I wanna be next to you

In sun or rain or snow or sleet  
It's true I wanna be with you, girl  
I wanna be next to you

I'm glad, I'm glad, I'm glad  
When I made my discovery  
I'll never be sad when my baby's with me  
Cause I'm sure  
Of my love  
For you baby  
This is real, giiiiirrrrl  
I just gotta say  
I can't help but feel this way  
But you're my treasure  
Baby you and me forever
