If the road just pave, dem a go wreck it
Nah go mek you get a chance or few
One thing I know

With two hand and two feet
That choose to beg fu di food they seek
If I don't give dem, I feel incomplete
But den agen, if there ever comes that day
You don't have it fi give dem
Dem free fu mek yuh life hell
Dem nah work fi it a tall
Den nobody else nuh fi have it at all
But God ova di devil
It's inevitable
