Empress... be mine (be mine)  
Empress... be mine (be mine)  
My one and only  
Love when she hold me  
The things she told me  
Please be my...

Empress  
Soley mine  
Love at last  
Glad she's mine  
Give her all my time  
One of her kind

I'm not hunting  
She work me, she don't do the bun ting  
Caz she's me everything

She love me for me  
She love me for real  
Guardian angel  
She's me shield  
Let me tell you how I feel...  
Damn I'm speechless

Glad she's mine  
Give her all my time  
One of her kind

She give me all I want and more  
Courteous, heart clean and pure  
I must be dreaming  
True love revealing  
She was born for me  
That's why she's drawn to me  
Sent from heaven  
She's all to me  
Beautiful, every man want a touch  
But she's my...
