

## Last Night In Georgia

Seraphim Shock

Pretty baby whatcha thinkin  
Doesn't matter if they believe  
Know my angel don't ask permission  
Don't need your Jesus to spread my wings

I can smell your blood out in the april rain  
So happy new year honey

Me and Mary's last in Georgia  
Gonna burn this place to the ground  
Moon is full let's start the killin  
Don't think you'll ever really know what is real

When your demons see ya bleedin  
Don't worry baby I'll never tell  
When you're dreamin it's when you see em  
Ya know it all just starts with a spell

I can smell your blood out in the april rain  
So happy new year honey

Me and Mary's last in Georgia  
Gonna burn this place to the ground  
Moon is full let's start the killin  
Don't think you'll ever really know what is real
