Last Memory

Seraphim

Ruined lamplight, rayless darkness emerges fearsomeness An unknown future is my destiny Frantic chasing the unmeasured kingdom of the night Dread is covering me

Twinkle in turn, a spark of light fires the starry sky Exhausted your mind under the dangerous strategy Regret and affection, disconsolate is the last Parables pass time away

Chill freezing frost, intuition came through ice cold bone Time passes into the step of destiny Degraded angels abandon body in chaos world When? Where will bury me?

Songs of devotion, eulogize, hearing a great wish dry to inner repentance $\ensuremath{\mathsf{E}}$

Retrieve the uncontinuous old story, stay behind last memory

Darkness stop the light, a midnight fantasy

Boundless black river, limitless rosy light, lay on macadam, li ke

night owl in full bloom

Endmost oblation, forget in deep fright, the musty skeleton, silent
