Evil crowd wicked gathering, dark stands still full of sorrow Gorgon creeps aound a grave, hush of shadow piercingly cold

Marvel of love incompletely, moonlight cold as ice, ice cold pa inful

suffering

Separation, hidden heavenly bodies

Fetter the soul in the air, handcuff the mind back to hell Sea of heartbreak, cuts like a knife, spirit withered strength exhausted

I find the last euthanasia, a cloudy sky night, night sky has confused me

Never ends, obsturct all creaturesř□ sight

Sunset with burning fire till midnight, black sky at night, light in your $% \left(1\right) =\left(1\right) +\left(1\right) +$

eyes

Imprison sparkle fade to darkness, gloomy devil die in the red storm

Don't be sad

The soul will transmigrate, back again!
