You sell love to me
Fathers love is what I bleed.
I'll lay you down and make you mine.

Leash your flesh with lust and greed,
Drive nails through your hands and feet,
Make you my Jesus sacrifice.

Do without your salvation,
Just to see you bought by temptation.
Come here lover lie with me tonight.

Bring me peace, or bring me pleasures.
I'll surrender at any measure.
All the angels sing, thy will divine.

Give yourself up to me, Give yourself up to me.

And we are all alike when they drop in the sun today.

Give yourself up to me, Give yourself up to me.

And are lives are led there full of all, but grace in lonely days.

Give yourself up to me, Give yourself up to me.

Do you tell him.
That you believe the story.

Give yourself up to me
Fathers love is what I bleed.
I'll lay you down, and make you mine.

Crucify the love I need.
Rise my child set me free
Yeti killed my Jesus, sacrifice
