At Last

Serena Ryder

At last My love has come along My lonely days are over And life is like a song

Oh yeah yeah, at last The skies above are blue My heart was wrapped up in clover The night I looked at you

I found a dream that I could speak to A dream that I can call my own I found a thrill to press my cheek to A thrill that I have never known, oh yeah yeah

You smiled, you smiled And then the spell was cast And here we are in heaven For you are mine at last

I found a dream that I could speak to A dream that I can call my own I found a thrill to press my cheek to A thrill that I have never known, oh yeah

You smiled you smiled And then the spell was cast And here we are in heaven For you are mine at last

At last At last
