

Hey There

Serena Ryder

Hey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too late
There ain't no one can take your place

Hey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too true
There ain't nobody else like you

Been a long time
Since I've been in love
Always leaving
Never good enough
Then that feeling
When I saw your face
There ain't no one can take your place

Hey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too true
There ain't nobody else like you

When you saw me
With a broken heart
You said, baby
You are worlds apart
From that darkness
And those other girls, too
There ain't nobody else like you

Hey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too true
There ain't nobody else like you

Ain't gonna worry no more
Nobody's leaving me behind
No more crying
No more tears to hide

Hey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too late
There ain't no one can take your place

Hey there, hey there, hey there

Hey there, hey there
Ooh, we've got the real thing, real thing
There'll never be a better way
Or a love too true

There ain't nobody else like you

Hey there, hey there

Hey there, hey there

Hey there, hey there

There ain't nobody else like you

There ain't nobody else like you

There ain't nobody else like you

There ain't nobody else like you
