

Some of These Days

Serena Ryder

Some of these days
You're gonna miss me, baby
Some of these days
You're gonna feel you're so lonely

You'll miss my huggin'
You're gonna miss my kissin'
You'll miss me, baby
When I am far away

You'll feel so lonely
And want me only
'Cause you'll know, baby
You always had your way

And if you leave me
You know, it's gonna grill me
You're gonna miss, your thin little daddy
Some of these days

I said some of these days
You're gonna miss me, baby
I'm talking about days
You're gonna feel so lonely

You're gonna miss my huggin'
You're gonna miss my kissin'
You'll miss me, baby
When I'm long gone away

You're gonna feel so lonely
And beg for me only
'Cause you know, baby
I always gave you, your way

And if you leave me
You know, it's gonna grill me
You'll miss, your thin little daddy
Some of these days
