

## Some of These Days

Serena Ryder

Some of these days  
You're gonna miss me, baby  
Some of these days  
You're gonna feel you're so lonely

You'll miss my huggin'  
You're gonna miss my kissin'  
You'll miss me, baby  
When I am far away

You'll feel so lonely  
And want me only  
'Cause you'll know, baby  
You always had your way

And if you leave me  
You know, it's gonna grill me  
You're gonna miss, your thin little daddy  
Some of these days

I said some of these days  
You're gonna miss me, baby  
I'm talking about days  
You're gonna feel so lonely

You're gonna miss my huggin'  
You're gonna miss my kissin'  
You'll miss me, baby  
When I'm long gone away

You're gonna feel so lonely  
And beg for me only  
'Cause you know, baby  
I always gave you, your way

And if you leave me  
You know, it's gonna grill me  
You'll miss, your thin little daddy  
Some of these days
