

## For What It's Worth

Sérgio Mendes

There's something happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me I've got to beware

I think it's time we stop, children, what's that sound?  
Everybody look what's going down

There's battle lines being drawn  
And nobody's right if everybody's wrong  
Young people speaking their minds  
And getting so much resistance from behind

It's time we stop, hey what's that sound  
Everybody look what's going down

What a field day for the heat  
A thousand people in the street  
Singing songs and carrying signs  
Mostly saying hooray for our side

It's time we stop, hey what's that sound  
Everybody look what's going down

Paranoia strikes deep  
Into your life it will be  
It starts when you're always afraid  
Step out of line, the men come and take you away

We better stop, hey what's that sound  
Everybody look what's going down
