Mistake

Serial Joe

Do you know how to find what you're looking for
Stuck in a maze of promises, don't know what's real or not
Promise you anything, I'll never lie
Do you even know what it is you want
So how can I even try
[CHORUS:]

It's all a mistake
How long will it take
When the dreams are all gone
How long till you wake

Don't know how I came to this
Just try n' figure out what to do
How can he give you what you need
You think that I cannot
In a state of mind games, it feels like a check mate
None of us will win
And I don't think I can wait

[CHORUS]

Bridge XA!

[CHORUS]

How long till you wake
