Yesterday when you opened your eyes
In the morning, and you rushed my soul
Memories connect them all to her
Have I lost you again
Possibly amidst forever
The strong winds have shaken me inside

When you touch me, I feel it
When you touch me, I feel it

you've become my addiction
my mental preoccupied obsession
to hear your voice I extend toward to suns
eating makes me think of you
the city has become your face
strangling myself in my silence

When you touch me, I feel it
When you touch me (I feel it)
When you touch me, I feel it
When you touch me (I feel it)

I feel it, I feel it
I feel it, I feel it

Have I lost you again
with the possibility of forever
the strong winds have shaken me inside
the sun barely giving of herself
I'm strangled in my aloneness, loneliness
Lock this before its gone
Winds have shaken me inside
the sun barely giving of herself
I'm strangled in my aloneness, loneliness
Lock this before its gone

The collaboration and association
Hear the story of another women in time
Giving permission for buying a gift
For the bearer of the selfish..

When you touch me, I feel it
When you touch me (I feel it)
