

## Borders Are...

Serj Tankian

Never let you go  
Never let you go  
Never let you go  
Never let you go

Borders are the gallows  
Of our collective national egos  
Subjective, lines in sand  
In the water, separating everything

Fear is the cause of separation  
Backed with illicit conversations  
Procured by constant condemnations  
National blood-painted persuasions

Here's my song for the free  
No, it's not about praise and publicity  
Corprotocracy, what a hypocrisy  
Aristocracy versus democracy

Fear is the cause of separation  
Backed with illicit conversations  
Procured by constant condemnations  
National blood-painted persuasions

The king is dead and now  
We're dancing in the streets  
As the waters rise  
We're merely covering our feet

I never let you go  
I never let you go  
I never let you go  
I never let you go

Fear is the cause of separation  
Backed with illicit conversations  
Procured by constant condemnations  
National blood-painted persuasions

Fear is the cause of separation  
Backed with illicit conversations  
Procured by constant condemnations  
National blood-painted persuasions

The king is dead and now we're dancing in the streets  
As the waters rise, we're merely covering our feet

Your gods are dead and now we're dancing in the streets  
As the waters rise, we're merely cowering in defeat

I never let you go  
I never let you go  
I never let you go  
I never let you go
