## **Borders Are...**

## Serj Tankian

Never let you go Never let you go Never let you go Never let you go

Borders are the gallows Of our collective national egos Subjective, lines in sand In the water, separating everything

Fear is the cause of separation Backed with illicit conversations Procured by constant condemnations National blood-painted persuasions

Here's my song for the free No, it's not about praise and publicity Corprotocracy, what a hypocrisy Aristocracy versus democracy

Fear is the cause of separation Backed with illicit conversations Procured by constant condemnations National blood-painted persuasions

The king is dead and now We're dancing in the streets As the waters rise We're merely covering our feet

I never let you go I never let you go I never let you go I never let you go

Fear is the cause of separation Backed with illicit conversations Procured by constant condemnations National blood-painted persuasions

Fear is the cause of separation Backed with illicit conversations Procured by constant condemnations National blood-painted persuasions

The king is dead and now we're dancing in the streets As the waters rise, we're merely covering our feet

Your gods are dead and now we're dancing in the streets As the waters rise, we're merely cowering in defeat

I never let you go I never let you go I never let you go I never let you go
