

Deserving?

Serj Tankian

I don't deserve you, why can't you see
I will desert you, why don't you leave
But you put your faith in me one last time
You, you put your faith in love all the time
I don't deserve you, why can't you see
I will desert you, why don't you leave
But you put your faith in me one last time
You, you put your faith in love all the time

I believe that you, you and me, you and me
We, we've achieved a love that we, we can see

I don't deserve you, why can't you see
I will desert you, why don't you leave
But you put your faith in me one last time
You, you put your faith in love all the time

I believe that you, you and me, you and me
We, we've achieved a love that we, we can see
For, I believe that you, you and me, you and me
We, we've achieved a love that we, we can see

So go find your path, take me with you
I will make sure no one hurts you
I need your ways, we deserve it
We'll depend on our love here we
Go find your path, take me with you
I will make sure no one hurts you
I need your ways, we deserve it
We'll depend on our love here we go
Here we go
You know, you know

For, I believe that you and me
We've achieved a love we can see
My love
