

## Peace Be Revenged

Serj Tankian

Where are we to go?  
How can we survive?  
When the falling rain seems to cease we will all have to go.

Where are we to go?  
How can we survive?  
When the falling rain seems to cease we will all go.  
We have built our lives without nature in mind.  
So that we've become the disease but we wont go.  
Those that survive can end with our life  
Peace will be returned  
We need to praise you  
Peace will first be revenged

Once we used to hear but like footsteps appear  
now we have no fear and in turn will disappear  
We have built our lives without nature in mind  
So that we've become the disease but we wont go  
Those that survive can end with our life  
Peace will be returned  
We need to praise you  
Peace will first be revenged

Reveneged...revenged...  
when the rain washes all the mitochondria  
Try to steer your intentions into love

When your fears mix with brain wash erosions dear  
I wont be here then, you wont be here when  
when the rain washes all the mitochondria  
Try to steer your intentions into love  
When your fears mix with brain wash erosions dear

Just watch the rain  
Just watch the rain  
rain watch the rain  
Just watch the rain  
Just watch the rain  
rain watch the rain

Where do we go?  
How do we meet you?
