

Wings of Summer

Serj Tankian

I, I want to fly, fly
On the wings, wings of summer
But you, you put your eyes
You put your eyes on mine

Go, perfect your fall
And no matter what
Smile for them all
For today, we see never
Tomorrow's menu reads forever

I, I want to fly
On the wings, of summer
But you, put your eyes, on mine
I, I want to fly
On the wings, of summer
But you, you put your eyes, on mine

Don't confess to the crime
Till you lavish in your concubine
When you think you got clever
They'll wheel you in and pull the lever

Now I, I want to fly
On the wings of summer
But you put your eyes on mine
Now, I, I'm going to fry
'Cause I ran over the guy with a Hummer
But you, put your eyes, eyes on the divine
Now I, I, want to fly, fly on the wings of summer
But you, you put your eyes, you put your eyes on mine

When you think that it's all over
They'll clip your wings and make you roll over
Go perfect your great fall
No matter what smile for them all
For today we see never
Tomorrow's menu reads forever
For today, we see never
Tomorrow's menu reads...
