

# Forever Stuck In Our Youth

Set It Off

So here I stare  
At an empty bottle full of confidence  
Fuzzy faded with the poison in my head  
It's an empty glass philosophy  
I can't help it, I can't stop

I'm a zombie with no notion of a head  
Grab a pocket and I'm looking like a mess  
Full of sexual ferocity  
I can't help it, I can't stop it

I'm living fast until I'm dead  
It's in my head and seeing

Because I'm on a permanent vacation  
We're young, we're young  
We're dumb and we don't care, no  
And I don't owe an explanation  
We're young, we're young  
We're dumb and we don't care, no

Forever stuck in our youth  
Forever stuck in our youth

[?]  
Getting greedy, get it in my veins  
I can't help it, I can't stop

And so I drink  
My cells away until I meant more than I think  
I've got to know I'm a believer so I sing  
A song about my body rebel ways  
I can't help it, I can't stop

We're young, we're dumb, and having fun  
We're young, we're dumb, we set it off  
We're young, we're dumb, and having fun  
Don't make me throw your.

Because I'm on a permanent vacation  
We're young, we're young  
We're dumb and we don't care, no  
And I don't owe an explanation  
We're young, we're young  
We're dumb and we don't care, no

Forever stuck in our youth
