

Listen close and  
Don't you say a word.  
I'll tell you a story of  
A boy who heard  
Nice guys finish last.  
But then  
It was to his surprise  
She walked into his life.  
Let's rewrite this tale.

Turn, turn the pages of your real-life story  
Based on love.  
Read over chapters carefully  
Just to finally see your past mistakes.  
Push pen to paper and put your bottle down  
You say that there's no happy endings  
But in this story, the good guy gets the girl.

You were so short of yourself.  
Your tongue can whip like a belt.  
Too bad we're ten feet tall.

I'm on cloud 9 and so is she  
Only wants to be with me.  
Score one for the nice guys.  
This one goes out to all of you  
Who know what I'm going through,  
Singing baby I'm yours.
