

Creation

Seven Lions

Locked inside the emptiness
Far away from creation
Forever floating alone
I am the source of it all
Beginning to all ends
Creating chemicals

And I want you to fear me
And I want you to know
I am everywhere you go
Can't hide from me no more
I am everywhere, everywhere
Everywhere you go
And I want you to fear me
And I want you to know

My name, my name
My name, my name

I am everywhere you go
Can't hide from me no more
I am everywhere, everywhere
Everywhere you go

Locked inside the emptiness
Far away from creation
Forever floating alone
I am the sun, your only one
On which you trust, our time is up
So far away, so far away

And I want you to fear me
And I want you to know
