

Don't Leave

Seven Lions

Baby I can't be what you want me to be
I've given you everything, I sailed the sea
Baby there's fireworks in my heart setting off
Darling I wish you hadn't let us fall apart

I promise I'd try to let this go, but I can't breathe
If only you knew how much I'd give you everything you need
So many space and time around us gone to waste
Baby I think I'm losing you, I can see it in your face

Don't leave
Don't leave
I need you
And I need you
Eh...

And I need...
And I need you
'Cuz everything, you've been the world to me
I need you
'Cuz everything, you've got the best of me

Don't leave
Don't leave

I promise I'd try to let this go, but I can't breathe
If only you knew how much I'd give you everything you need
So many space and time around us gone to waste
Baby I think I'm losing you, I can see it in your face

Don't leave
Don't leave
And I need you
I need you

Don't leave
Don't leave
