## **Flagship Eleanor**

## **Seven Mary Three**

I've got a tricked-out receiver and I think it's built to win I've got one chance to receive her voice translucent, delicate

Breakdown! Breakout! Eleanor I think your loneliness is code It symbolizes every man who's empty as a hole

Eleanor I'm waiting for you

I've got a number to call you back but I think "leave well-enough alone" I chased a shoestring to a heart-attack closeted everything I own

Come down! Crash land! Eleanor I think your loneliness is code It symbolizes every man who's empty as a hole

Eleanor I'm waiting for you

Flagship Come down Crash land My town

Eleanor I'm waiting for you
