

## This Evening's Great Excuse

Seven Mary Three

Time will pack a bag on you, my love  
organize, re-organize your Luck  
Pretty face, a pretty smile,  
a pretty shame you can't defile  
The message you have made for them to see

And it will be  
And it will be  
H Y P O C R I S Y HYPOCRISY

This evening's great excuse is this:  
To make your peace.  
And make a list  
of everything that's trivial and wide

Handshake man, how could you be?  
A sweeter, softer, gentler king  
Spread out for every queen to see

And it will be  
And it will be  
H Y P O C R I S Y HYPOCRISY
