

WAIT...CONTAIN ME AROUND
ONLY TO...I SPIT!!!
Step on my disease -
so nice to see me bleed
Step on my disease - I cannot contain

SLOW IT DOWN...I'M so winded
I've fallen down...again

Taste numb of my teeth
Forever makes me...sick!!

Step on my disease -
so nice to see me bleed
Step on my disease - I cannot contain

SLOW IT DOWN...I'M so winded
I've fallen down...again
I follow the walking dead

Now that you found out
- somewhat about me
I wonder how long it will be before
you leave

SLOW IT DOWN - I'M so winded -
SLOW IT DOWN
I've fallen down...again
SLOW IT DOWN - I'm so winded
- So end it
I've fallen down...again I follow the walking dead
SPIT!!
STUPID FUCK
