

I sorta like deceiving.  
And all this tragic loss.  
I want to find some patience  
But kill the feelings off.  
I want to drown in praise.  
But never really deliver.  
I want to feel insane, insane.

SO LONG TO GO, YOU KNOW.

No matter how I cling to life.  
I'm not fooling anyone.  
I'm not original anymore.  
I'm not original anymore.

And when the well is dead and dry.  
I'll keep begging you to start a war.  
I'm not original anymore.  
I'm not original anymore.

Do I start it over.  
Before I self-destruct.  
What's the perfect way to say I'm lost? I just give up.  
Yeah I want to try and change.  
The vanity in the mirror.  
I know you feel the same, insane.

SO LONG TO GO, YOU KNOW.

No matter how I cling to life.  
I'm not fooling anyone.  
I'm not original anymore.  
I'm not original anymore.

And when the well is dead and dry.  
I'll keep begging you to start a war.  
I'm not original anymore.  
I'm not original anymore.

ONE BY ONE THEY FALL.  
USE YOUR WORDS FOR WAR.  
CHASING OPEN DOORS.  
FOR WHAT IT'S WORTH.

No matter how I cling to life.  
I'm not fooling anyone.  
I'm not original anymore.  
I'm not original anymore.

And when the well is dead and dry.  
I'll keep begging you to start a war.  
I'm not original anymore.  
I'm not original anymore.
