

I sorta like deceiving.
And all this tragic loss.
I want to find some patience
But kill the feelings off.
I want to drown in praise.
But never really deliver.
I want to feel insane, insane.

SO LONG TO GO, YOU KNOW.

No matter how I cling to life.
I'm not fooling anyone.
I'm not original anymore.
I'm not original anymore.

And when the well is dead and dry.
I'll keep begging you to start a war.
I'm not original anymore.
I'm not original anymore.

Do I start it over.
Before I self-destruct.
What's the perfect way to say I'm lost? I just give up.
Yeah I want to try and change.
The vanity in the mirror.
I know you feel the same, insane.

SO LONG TO GO, YOU KNOW.

No matter how I cling to life.
I'm not fooling anyone.
I'm not original anymore.
I'm not original anymore.

And when the well is dead and dry.
I'll keep begging you to start a war.
I'm not original anymore.
I'm not original anymore.

ONE BY ONE THEY FALL.
USE YOUR WORDS FOR WAR.
CHASING OPEN DOORS.
FOR WHAT IT'S WORTH.

No matter how I cling to life.
I'm not fooling anyone.
I'm not original anymore.
I'm not original anymore.

And when the well is dead and dry.
I'll keep begging you to start a war.
I'm not original anymore.
I'm not original anymore.
