

Another slow day dreaming of a crowdless face  
Reaching over just to feel your hand in mine  
Holds me over  
I remember times always felt like this  
I'd never thought I'd ever see the end in sight  
When life is over.

I don't know.. if I know.. which way to go.  
One day. One life. One love I won't deny.  
We pray and we lie. One curse that'll never tire.  
Surrender your mind. And pray to God before you die.  
One day and one life.

Here I am and I can't complain.  
Inside the struggle I see our worlds collide.  
Ya... It doesn't matter.  
Can't depend on life ever making sense.  
It's hard to say when I'm running out of time.  
Ya.... It's almost over

I don't know.. if I know.. which way to go.  
One day. One life. One love I won't deny.  
We pray and we lie. One curse that'll never tire.  
Surrender your mind. And pray to God before you die.  
One day and one life.

I don't know... if I know when that day will come.  
The blessing and the curses are not afraid to go  
I don't know when I'll go.....  
I don't know when I'll go.....  
Nooooo..

One day. One life. One love I won't deny.  
We pray and we lie. One curse that'll never tire.  
Surrender your mind. And pray to God before you die.  
One day and one life.
