School's Out

Well we got no choice All the girls and boys Makin all that noise 'Cause they found new toys Well we can't salute ya Can't find a flag If that don't suit ya That's a drag

School's out for summer School's out forever School's been blown to pieces

No more pencils No more books No more teacher's dirty looks

Well we got no class And we got no principles And we got no innocence We can't even think of a word that rhymes

School's out for summer School's out forever School's been blown to pieces

No more pencils No more rule-books No more teacher's dirty looks

Out for summer Out till fall We might not go back at all

School's out forever School's out for summer School's out with fever School's out completely
