

Boat on the River

Seventh Avenue

Take me back to my boat on the river
And mean to go down and me to calm down
Take me back to my boat on the river
And I won't cry out anymore

Time stands still as I gaze in the water
She eases me down, touching me gently
The water still flow as my boat on the river
So I don't cry out anymore

Oh the river is wise, the river real touches my life
Like the waves on the sand

Long roads lead to tranquility days
Which I found on my face disappears

Take me down to my boat on the river
And I won't cry out anymore

Oh the river is deep, the river real touches my life
Like the waves on the sand

Long roads lead to tranquility days
Which I found on my face disappears oh ...

Take me down to my boat on the river
I need to go down, would you let me go down

Take me back to my boat on the river
And I won't cry out anymore
And I won't cry out anymore
And I won't cry out anymore
