

Break Me

Seventh Day Slumber

Broken pieces of the man I used to be
Are all that's left of who I am
Shattered mess of all my countless broken dreams
I wonder where I go from here

I'm on my way
And I'm not falling
You're all the same
You tried to bring me down
I'm on my way
And I'm not falling
You're all the same
You tried to bring me down

Found the one I was always searching
No more empty promises
I've come to realize what I'm worth is so much more
More than how you made me feel

I'm on my way
And I'm not falling
You're all the same
You tried to bring me down
I'm on my way
And I'm not falling
You're all the same
You tried to bring me down

First in line, I'm last in line
First to eat, I'm last to eat
First in line, I'm last in line
First to eat, I'm last to eat
First in line, I'm last in line
First to eat, I'm last to eat
It doesn't matter much to me
Doesn't matter much to me

I'm on my way
And I'm not falling
You're all the same
You tried to bring me down
I'm on my way
And I'm not falling
You're all the same
You tried to bring me down
