

Caroline

Seventh Day Slumber

Where do I begin?
There's so much I want to say to make it easier,
Tomorrow is on it's way,
Do you believe I want to take your painful memories?

I know you want to run away,
And I know that you can't see tomorrow.

Caroline,
Let me wipe away your tears, and give you life,
Make you feel beautiful again.
Caroline,
Don't throw it all away,
I'm here tonight to take away your pain.

Yesterday is gone,
And everything that made you cry is fallen to the ground.
I'm here to bring you hope,
I will always take you back, you haven't let me down.

I know you want to run away,
And I know that you can't see tomorrow.

And when you're feeling all alone, and you can't go on
Remember I am here
And when you think you've gone too far, I'll meet you where you
are
My arms are open wide
