From The Inside Out

Seventh Day Slumber

A thousand times I've failed still your mercy remains Should I stumble again? I'm caught in your grace Everlasting, your light will shine when all else fades Never-ending, your glory goes beyond all fame

Your will above all else, My purpose remains The art of losing myself in bringing you praise Everlasting, your light will shine when all else fades Never-ending, your glory goes beyond all fame

My heart and my soul,I give you control Consume me from the inside out Let justice and praise become my embrace To love you from the inside out

Everlasting, your light will shine when all else fades Never-ending,your glory goes beyond all fame And the cry of my heart is to bring you praise from the inside out,oh, My soul cries out

My heart and my soul,I give you control Consume me from the inside out Let justice and praise become my embrace To love you from the inside out

Everlasting, your light will shine when all else fades Never-ending, your glory goes beyond all fame And the cry of my heart is to bring you praise from the inside out, oh, my soul cries out

Everlasting, your light will shine when all else fades Never-ending, your glory goes beyond all fame And the cry of my heart is to bring you praise from the inside out,oh, my soul cries out

Oh, My soul Cries Out
