How He Loves

Seventh Day Slumber

He is jealous for me Love's like a hurricane, I am a tree Bending beneath The weight of His wind and mercy

When all of a sudden I am unaware Of these afflictions eclipsed by glory I realize just how beautiful You are And how great Your affections are for me

Oh, how He loves us all Oh, how He loves us, how He loves us all He loves us, oh, how He loves us Oh, how He loves us, oh, how He loves us

He is jealous for me Love's like a hurricane, I am a tree Bending beneath The weight of his wind and mercy

When all of a sudden I am unaware Of these afflictions eclipsed by glory I realize just how beautiful You are And how great Your affections are for me

He loves us, oh, how He loves us Oh, how He loves us, oh, how He loves us

We are His portion and He is our prize Drawn to redemption by the grace in His eyes If grace is an ocean we're all sinking

Heaven meets earth like a very first kiss My heart's beating wildly inside of my chest I don't have time to maintain these regrets When I think about the way

He loves us, oh, how He loves us Oh, how He loves us, oh, how He loves us He loves us, oh, how He loves us Oh, how He loves us, oh, how He loves us

Oh, how He loves us all Oh, how He loves us, how He loves us all
