

## My Life

### Seventh Day Slumber

A beautiful lie was killing me  
I can't believe I'm sober, I can't believe I'm clean  
It's been a while since I felt this close to home  
I know the fight's not over but I don't have to fight alone  
And I've got to let You know, I just have to let You know

You made me feel like I belong, You gave me the strength to carry on  
And I feel so alive since that part of me died  
I couldn't make it on my own but with You there's nothing I can't do  
Until the day I die I thank You for my life

This feeling's so hard to explain  
I know that I said thank You but there's more I want to say  
Like I'm sorry for the time's I lied to You  
And all those nights You worry, the pain I put You through  
And I've got to let You know, I just have to let You know

You made me feel like I belong, You gave me the strength to carry on  
And I feel so alive since that part of me died  
I couldn't make it on my own but with You there's nothing I can't do  
Until the day I die I thank You for my life

If I could change the mistakes I've made, turn back the hands of time  
And erase all the nights I heard You, the tear I made You cry

You made me feel like I belong, You gave me the strength to carry on  
And I feel so alive since that part of me died  
I couldn't make it on my own but with You there's nothing I can't do  
Until the day I die I thank You for my life
