

## Dismal Perception

## Severe Torture

Painful be my destiny  
to kill nevermore  
Irresistible urge to revive  
every life I took

Disrupting society  
Revoking to die  
Passing the ordeals  
of my mind

Dismal Perception

Unbearable suffering  
to those I despise  
Feeding the hunger  
that once begun

Undeniable descendant  
of misanthropic misbehaviour  
Destined for ferocity  
Immersed in immorality
