

## Mutilation Of The Flesh

### Severe Torture

Post mortal suffering  
When you beg for your soul in hell  
Burning in eternity  
The result of a living lie  
Words of a fallen savior  
Are feeding my hate  
Revolting thoughts of an unclean mind  
Soon to be ended

I will not accept your words  
I will not obey  
I am not one of many  
Who's living like a slave

I will start collecting  
Corpses for my mass grave  
Mutilation of the flesh  
Will be their final stage
