

Redefined Identity

Severe Torture

And as loathsome beasts we disgrace
Not mourning for those once neglected
Their formal identity contrived
As unavailing effort to escape reality

Malicious disturbance of the mind
Feeble personalities fated to die

Self-sacrificing undignified
Only to mislead the weak

Redefined identity
Disloyal to divinity

Lack of awareness causing demise
Infatuated by a fake disguise
Vulgar deceiver controlling their minds
So unfaithful, so provoking

Redefined identity
Disloyal to divinity
