

Unholy Misconception

Severe Torture

errant souls of structure
none will be immortal
breeds of mental impotence
now summoned to dissent
a godless life for those
who must be sent to glory
they all will disbelieve
unholy misconception

mass degeneration
thinking the unacceptable
slaves of god, so insolent
soon ordained to die
procession to deformity
not insurgent but compliant
they all will disbelieve
unholy misconception

godly derogation
suffering irreversible
far from christ, salvation

tortured without respite
