

A Bad Situation

Sevyn Streeter

Let's talk about all of it. For two years the same knew what to say to me, he knew what to sell to me, and that was the stuff I bought into. And granted it should have taken me that long to get to the point, but that's what happens when...

But that's what happens, that's growth though

When women think that, when we think that we can change you, or when we're blinded by love and we love you so much

And or sex

And or sex, that's possible, we'll stay in a bad situation for a really long time
