Sevyn Streeter

It's Sevyn in the plug, brrr

All these curves and all this face, getting all this work  
And still you wanna go and act up  
I've been up getting all this dough  
Somethin' 'bout it don't add up, somethin' 'bout it don't add up  
That's why you feel, how you let me go  
And I'm so real, I be in the kitchen like your mama did that  
Tatted in your body, shoulda never did that  
Uh, woo! That's an autograph  
Fuck another bitch is she gon' know that I was there  
Uh, woo! 'Bout to pass out  
Running out of pressure, 'bout to throw that ass out  
Oh no, get off me  
You've been doing shit like this for too often  
I drew a line in the sand, and you crossed it  
A need an explanation, tell me right now  
Got me now I'm tryna tip-toe, turning locks low  
So I won't know what time you got back in  
In the morning when you want it  
You be wondering why I got a attitude, what you think this is?  
Oh no, no, no

Boomerang  
Love shoulda brought your ass home  
Boomerang  
But I ain't coming back no more  
Boomerang  
Love shoulda brought your ass home

Uh, woo! That's an autograph  
Fuck another bitch if she gon' know that I was there  
Uh, woo! Bout to pass out  
Running out of pressure, bout to throw that ass up  
Oh no, you lost it, used to have it like that but you lost it  
You must have bumped your head cause you lost it  
A girl like me don't come around too often  
They don't make 'em like me no more, make 'em like me no more  
They don't make 'em like me no more  
Nigga they don't make 'em like me no more, no, no, no, no

Boomerang  
Love shoulda brought your ass home  
Boomerang  
But I ain't coming back no more  
Boomerang
