Keep all that away from me, far away from me, far from me.

Whatever whatever whatever it is
It doesn't matter to me baby, I'm yours
You're still my baby to the core
Call me crazy crazy crazy crazy I'm yours
I ain't going nowhere, you're my life support,
Call me crazy crazy crazy crazy.
Call me crazy crazy crazy crazy.

Lock me up in your arms forever
And never set me free, no, free, throw away the key

Whatever whatever whatever it is
It doesn't matter to me baby, I'm yours
You're still my baby to the core
Call me crazy crazy crazy crazy I'm yours
I ain't going nowhere, you're my life support,
Call me crazy crazy crazy crazy.
Call me crazy crazy crazy crazy.

Throw it again

Whatever whatever whatever it is
It doesn't matter to me baby, I'm yours
You're still my baby, to the core
Call me crazy crazy crazy crazy I'm yours
I ain't going nowhere, you're my life support,
Call me crazy crazy crazy crazy. [x4]
