

# Don't Kill The Fun

Sevyn Streeter

Baby don't kill, the fun (I won't)  
This ain't love until we say it's done (alright)  
It's your life, go ahead, do what you choose  
Put me in your, your favorite mood  
Oh baby, don't kill the vibe  
Turn it down we gotta let it ride  
I found you, crowned you, I turned you on  
So you know, I got, what you want

Cause anyone can take it with you when you go  
It's only right to make it beautiful  
Lets be undeniable (don't kill the fun)  
If you wanna live it better, live it  
Make tonight unforgettable (don't kill the fun)  
And we won't stop rockin' till they call the cops

Don't kill the fun (I can't)  
Don't kill the fun (I won't)  
Let's be undeniable  
And we won't stop rockin' till they call the cops

Oh baby (don't kill the fun)  
We can only chase it if we run  
Body to body, it's all for free  
Now come get this l-o-v-e

Cause anyone can take it with you when you go  
It's only right to make it beautiful  
Lets be undeniable (don't kill the fun)  
If you wanna live it better, live it  
Make tonight unforgettable (don't kill the fun)  
And we won't stop rockin' till they call the cops

Don't kill the fun (I can't)  
Don't kill the fun (I won't)  
Let's be undeniable  
And we won't stop rockin' till they call the cops

Lay down, no over thinking  
Get it though, this picture we painting  
Till 3 in the mornin', 3 in the mornin'  
All night we on  
We make the party come to life  
Life, don't kill the fun  
Me and you

Cause any one can take it with you when you go  
It's only right to make it beautiful  
Lets be undeniable (don't kill the fun)  
If you wanna live it better, live it  
Make tonight unforgettable (don't kill the fun)  
And we won't stop rockin' till they call the cops

Don't kill the fun (I can't)  
Don't kill the fun (I won't)  
Let's be undeniable  
And we won't stop rockin' till they call the cops

I can't, I won't  
Unde-undeniable  
I can't, I won't  
Unde-undeniable  
(Call the cops)
