Don't Kill The Fun

Sevyn Streeter

Baby don't kill, the fun (I won't) This ain't love until we say it's done (alright) It's your life, go ahead, do what you choose Put me in your, your favorite mood Oh baby, don't kill the vibe Turn it down we gotta let it ride I found you, crowned you, I turned you on So you know, I got, what you want

Cause anyone can take it with you when you go It's only right to make it beautiful Lets be undeniable (don't kill the fun) If you wanna live it better, live it Make tonight unforgettable (don't kill the fun) And we won't stop rockin' till they call the cops

Don't kill the fun (I can't) Don't kill the fun (I won't) Let's be undeniable And we won't stop rockin' till they call the cops

Oh baby (don't kill the fun) We can only chase it if we run Body to body, it's all for free Now come get this 1-o-v-e

Cause anyone can take it with you when you go It's only right to make it beautiful Lets be undeniable (don't kill the fun) If you wanna live it better, live it Make tonight unforgettable (don't kill the fun) And we won't stop rockin' till they call the cops

Don't kill the fun (I can't) Don't kill the fun (I won't) Let's be undeniable And we won't stop rockin' till they call the cops
