

How Bad Do You Want It

Sevyn Streeter

Oh yeah

Oh yeah

Oh yeah

World goes round, life I chose
What comes next I never really know
A million miles left to go
Them guns go pow, but I'm ready for the war!
World goes round, life I chose
What comes next I never really know
A million miles left to go
Them guns go pow, but I'm ready for the war!

Oh yeah

Oh yeah

Oh yeah

Cause if you wanna ride with me
Make me come alive baby
So if you wanna ride with me, show me how bad do you want it
